(a) the funds allocated by Government to Himachal Pradesh for various health programmes during the Ninth Five Year Plan;

(b) whether it was sufficient for the above said plan period; and

(c) if not, the funds allocated to Himachal Pradesh for the Tenth Five Year Plan?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI A. RAJA): (a) and (b) Financial assistance of over Rs. 29 crore was provided to Himachal Pradesh during the Ninth five Year Plan under various National Health Programmes for control of major diseases like Malaria, TB, Blindness, Leprosy and AIDS. Allocations under these programmes which are primarily made on the basis of demand from the State, incidence of disease and past performance were considered sufficient for the above said plan period.

(c) State-wise allocations for various National Health Programmes for control of major diseases are made only on a yearly basis.

Deaths due to AIDS, TB and Cancer

†450. PROF. M. M. AGARWAL: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the number of persons died due to AIDS, TB and Cancer in the country during the last three years,State-wise; and

(b) the details of effective steps taken by Government, so far, to control the diseases?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI A. RAJA): (a) The numbers of deaths reported, State-wise, during the last three years due to AIDS, TB and Cancer are indicated in the Statements at Statements I, II and III. respectively. *{See* below)

(b) National Programmes for prevention and control of these diseases are already under implementation. Diagnostic and treatment facilities, preventive intervention through awareness campaigns for general population and active involvement of NGOs and Voluntary Organisations are some of the major components of these programmes.

---

†Original notice of the Question was received in Hindi.
